It was a 5 day workshop regarding mobile development. In this workshop i learned basic functions of Kotlin language and Mobile Application Development

Languages

English

Hindi

Education

Kurukshetra University , Kurukshetra
Master's in Computer Applications
7.92 SGPA in First Sem(Currently Pursuing)
Post Graduation
August 2023 - Present

Internshala
Web Development
Training
April 2024 - June 2024

During my Internshala training in web development, I acquired essential skills in HTML, CSS, JavaScript, and backend development. I also built a project called PGLife, which involved creating a platform for finding and reviewing PG accommodations. This hands-on experience enhanced my understanding of web development frameworks and practical application of my skills.
